Answer.	The onus of proving that you are eligible to get the concession of belonging to OBC (non-creamy layer) rests on you. The relevant link is <a href="http://ncbc.nic.in/backwardclasses/index.html">http://ncbc.nic.in/backwardclasses/index.html</a> . b) For getting the benefit of reservation, the caste/ sub-caste/community essentially has to be in the central list. If the caste you belong to appears in a state list but not in the central list, you are not eligible for getting the reservation benefits. c) Be sure that you do not belong to creamy layer. Your OBC certificate must also have a clear mention that you belong to non-creamy layer. d) OBC certificate has to be as per the proper format prescribed by Govt. of India. In case your certificate is too old and not as per format, please get a new one issued by a competent authority. e) Make sure that you are in possession of a valid category certificate. <i>At the time of verification of the caste certificate at our end at the time of recruitment or at any stage after that, if it is found out that the candidate has obtained reservation benefits by submitting, false/ incorrect certificate/information; he/she would not be considered for further selection process/be terminated from the service of SAIL immediately.</i>
