Annamalai University

Our Legacy: The Foundation of Annamalai University

In the early 1920s, driven by a vision to uplift the underprivileged and enrich Tamil literary heritage, Rajah Sir S.R.M. Annamalai Chettiar established Sri Minakshi College and Sri Minakshi Tamil College in Chidambaram. Demonstrating remarkable foresight in the service of education, he entered into an agreement with the local Government in 1928 to transfer these institutions for the establishment of a University. Consequently, on 1 January 1929, Annamalai University was enacted under the Annamalai University Act of 1928 (Tamil Nadu Act 1 of 1929), born amidst a rural landscape with a profound commitment to serving the educationally disadvantaged districts of Tamil Nadu.

A new chapter began with the Annamalai University Act, 2013 (Tamil Nadu Act 20 of 2013), which came into force on 25 September 2013, receiving the assent of the Hon'ble President of India. This Act was subsequently amended by Act No. 32 of 2021, transforming Annamalai University into an affiliating University. As a result, colleges across the districts of Villupuram, Cuddalore, Kallakurichi, and Mayiladuthurai are now affiliated with us, widening our academic reach and strengthening our regional impact.

Accolades & Excellence

Annamalai University stands as one of India's largest public residential institutions, proudly accredited with an '**A+**' **Grade (CGPA 3.38) by NAAC in 2022**. Our sprawling 950-acre campus is home to **8 Faculties and 57 Departments/Centres/Divisions**. From our inception, we have served as a beacon of opportunity, bringing higher learning to the doorsteps of those with limited access to education.

We are pioneers of innovation, having introduced progressive, human-resource-centric teaching programmes that blend current and next-generation academic and research pursuits, both national and global in character. A hallmark of our curriculum is the systematic adoption of **Learning Outcome-Based Curricula (LOBE)**, aligned meaningfully with the United Nations' Sustainable Development Goals (SDGs). Furthermore, Annamalai University has long been a trailblazer in distance education.

Research & Global Partnerships

Our research excellence is widely recognised. The University has been awarded the **PURSE Programme** by the Department of Science and Technology. Our research strength is further validated by:

- **10 departments** supported by UGC-SAP
- **10 departments** supported by DST-FIST
- **2 departments** recognised as Centres of Advanced Study

We have forged joint research and innovation partnerships with **24 esteemed institutions** across the USA, Europe, Australia, Japan, and the UK, including prestigious names like the Karolinska Institute, Johns Hopkins University, and the University of Michigan. Despite our rural setting, we produce high-impact research, reflected in strong citation metrics and tangible societal impact through popular articles and media coverage. Our collaborative research projects with global foundations and industrial leaders—including the **Bill & Melinda Gates Foundation, USAID, DST, DBT, MoEF, and DRDO**—stand as enduring testaments to our capabilities.

Institutional Social Responsibility: The Faculty of Agriculture in Action

Our commitment to society extends far beyond the classroom. University-wide initiatives include a **Hospital on Wheels**, free medical and dental camps in villages, lifestyle and hygiene awareness programmes, and rural and urban health centres supported by our Faculty of Medicine and a **1400-bedded hospital**.

Specifically, the Faculty of Agriculture actively engages in transformative extension activities, such as:

- **Agripreneurship Development Programme** – nurturing the next generation of agricultural entrepreneurs.
- **Sustainable Livelihood Projects** – empowering Tsunami-affected communities towards long-term recovery and resilience.
- **Integrated Farming Training** – equipping farmers with sustainable, climate-smart agricultural practices.

Our Esteemed Alumni: Former Vice-Chancellors

The University Library: A Tribute to a Visionary

The University Library, named in honour of the eminent scholar, statesman, and former Vice-Chancellor **Dr. Sir C.P. Ramaswami Aiyar**, stands as a vibrant knowledge hub for both students and faculty. It offers seamless access to a wide array of journals through the **Infonet facility**. Notably, the Library subscribes to **ScienceDirect**, providing access to **340 full-text journals**, thereby supporting advanced learning and cutting-edge research in agricultural and allied sciences

Sports Complex: Fostering Physical Excellence

Spread over several acres, the University's sports complex offers comprehensive facilities for both outdoor and indoor sports. Notable among these are:

- **Tennis court complex**
- **Basketball complex**
- **Volleyball complex**
- **Standard athletic track**
- **Cricket field with practice nets**
- **Football field**
- **Hockey field**
- **Wooden-floored indoor stadium**

These world-class amenities provide students with ample opportunities to cultivate physical fitness, teamwork, and sporting excellence alongside their academic pursuits.

I. Faculty of Agriculture

(Accredited by ICAR)

Faculty of Agriculture: Cultivating Excellence Since 1958

Established in 1958, the Faculty of Agriculture at Annamalai University has stood for over six decades as a cradle of agricultural education, research, and extension. True to its founding vision, the Faculty continues to nurture competent, compassionate, and innovative agricultural professionals equipped to meet national and global challenges.

Academic Structure: Nine Departments and One Division

The Faculty presently comprises nine specialised departments and one division:

Departments	Division
Agronomy	Division of Animal Husbandry
Entomology	
Plant Pathology	
Agricultural Microbiology	
Soil Science and Agricultural Chemistry	
Genetics and Plant Breeding	
Horticulture	
Agricultural Economics	
Agricultural Extension	

Quality and Excellence in Teaching

The Faculty is unwavering in its commitment to pedagogical excellence, supported by modern infrastructure and forward-thinking educational strategies:

- **Smart Classrooms:** Hi-tech classrooms equipped with LCD projectors and high-speed internet connectivity, enabling interactive and digital-intensive learning.
- **Specialised Facilities:** A well-established experimental farm, an agro-meteorological observatory, a productive orchard, a fully functional livestock farm, and an air-conditioned seminar hall for academic discourse.

- **Hands-on Training:** Students receive rigorous practical training in scientific agricultural and horticultural techniques, alongside the development of essential analytical skills.
- **Global Readiness:** State-of-the-art knowledge spanning the wider disciplines of agriculture is imparted to prepare students to meet complex global challenges, including climate resilience and food security.
- **Commercial Agriculture Integration:** Training programmes designed to equip students for commercial agriculture are seamlessly integrated as a core component of the curriculum.
- **Entrepreneurship Orientation:** Through motivational events and exposure to successful agri-entrepreneurs, students are inspired to become job providers rather than job seekers.
- **Experiential and Rural Learning:** The curriculum innovatively incorporates **Experiential Learning** and **Rural Agricultural Work Experience (RAWE)**, offering significant scope for participatory, hands-on, and bottom-up approaches to the learning process.

Research Facilities: Fueling Cutting-Edge Inquiry

The Faculty has built an excellent infrastructural setup that enables pioneering research in Agriculture and Horticulture. This achievement has been made possible through:

- **External Research Grants** from premier national agencies, including:
 - University Grants Commission (UGC)
 - Department of Science and Technology (DST)
 - Department of Biotechnology (DBT)
 - Indian Council of Agricultural Research (ICAR)
 - National Medicinal Plants Board (NMPB)
 - Ministry of Coal
 - Ministry of Environment & Forests
 - Ministry of Water Resources
- **University Budgetary Provisions** that supplement and sustain research excellence.

Teaching, Research, and Extension: The Three Vital Pillars

The Faculty proudly integrates the three indispensable components of any distinguished agricultural institution:

1. **Teaching** – Imparting theoretical and practical knowledge of the highest standard.
2. **Research** – Advancing the frontiers of agricultural science through cutting-edge projects.
3. **Extension Activities** – Translating knowledge into community action.

Together, these pillars have enabled the Faculty to make **significant strides in improving the lifestyle of the farming community** while simultaneously **enhancing the calibre, confidence, and aptitudes of agricultural graduates**.

Career Opportunities: Pathways to Prestigious Positions

Students at the Faculty of Agriculture are offered the best possible career trajectories through:

- **Rigorous Soft Skills Training** – Communication, leadership, problem-solving, and professional etiquette.
- **Dedicated Placement Cell** – Operating exclusively for the Faculty of Agriculture to connect students with suitable employers.

Our Distinguished Alumni: A Testament to Excellence

Graduates of this Faculty have occupied and continue to hold some of the most prestigious positions in India and abroad, including:

- **Vice-Chancellors** of State Agricultural Universities
- **Principal Secretaries** in State Government Ministries
- **Scientists** at **CGIAR** (Consultative Group of International Agricultural Research) Institutions
- **Plant Protection Advisor** to the Government of India
- **Continental and Global Leaders** in Multinational Agricultural Companies
- **Executives** in Nationalized Banks, Sugar, Fertilizer, Seed, and Pesticide Industries
- **Executive Officers** in premier Indian civil services, including:
 - Indian Police Service (IPS)
 - Indian Administrative Service (IAS)
 - Indian Forest Service (IFS)
 - Indian Foreign Service (IFS)

IV. Special Reservation

6.1 SPECIAL CATEGORIES

Candidates are instructed to enclose appropriate form(s) /certificates as mentioned in Annexure-II or whichever applicable. If appropriate certificates or supporting documents for special reservation claim are not enclosed, their claim under such categories will not be considered.

ONLY TAMIL NADU NATIVE CANDIDATES ARE ELIGIBLE FOR SPECIAL RESERVATION QUOTAS

Five percent of the seats are reserved for differently abled candidates in the UG degree programs offered. The differently abled candidates with only lower limb disability (locomotor disability) with a disability percentage for lower limb (locomotor disability) ranging from 40% to 60% shall alone be considered eligible. Candidates with less than 40% disability shall only be considered under their respective communal category. Though a differently abled applicant has lower limb disability (locomotor disability) with the admissible range of 40-60% if the disability-associated factors (with or without any other disability) that affect the applicant's study and increase the life risk to the candidate, his/her application shall not be considered for admission.

This condition shall be verified by a medical team at the time of application scrutiny. Applicants should fulfill all the other qualifying requirements. However, the maximum age limit is relaxed to 26 years (as of 1st July 2026). Candidates seeking admission against this reservation set apart for orthopedically differently abled (lower limb disability - disability percentage range: 40-60%) should produce the certificate issued by the district medical board concerned certifying the nature and extent of disability in percentage. Certificates obtained from an individual doctor will not be considered. Further, a separate TNAU medical team will examine the candidates concerning their certificates and his/her suitability for admission to UG and PG programmes. Candidates must produce a signed application form along with ANNEXURE II (generated on submission of online application) and medical certificate on a stipulated date and time.

It was published that persons with only locomotor disability (lower limb) are eligible to apply to TNAU and Annamalai University (pages 22 and 23 of the information brochure hosted in <https://tnagfi.uanapply.com>). Based on the guidelines of the Government of Tamil Nadu, now it has been revised that applicants with locomotor disability, low vision, hearing impairment, cerebral palsy, and specific learning disability are considered eligible to apply to TNAU and AU. At the time of certificate verification and counselling, the eligibility for admission will be decided by the medical team based on functional requirements. Otherwise, all the eligibility requirements and relaxation for the differently-abled applicants laid in the brochure hold good.

V. Mode of Selection

7.1 Selection of Candidates for Online Counselling to B.Sc.(Hons.) in Agriculture / B.Sc.(Hons.) in Horticulture.

The candidates have to fill in their choice of degree program and college at the time of online application filling based on which admission will be allotted. Online counselling selection process for general reservation candidates is done only through online counselling.

- During online counselling, the candidates will be allotted the degree and college, based on their rank, community, and choice preferences made by them at the time of application filling, as per the procedure given in the website <http://tnagfi.ucanapply.com>.
- An online counselling system will be followed for all degree programs.
- After the release of the rank list, candidates shortlisted will be informed through sms and e-mail. The ratio of 'number of vacant seats (seats to be filled)': 'number of candidates shortlisted for counselling' will be normally 1:5. Calling for online counselling does not guarantee a seat.
- Shortlisted candidates must pay a non-refundable counselling fee of Rs.3000/- (Rs. 1500/- for SC / SCA / ST categories) through their login credentials (<http://tnagfi.ucanapply.com>). Those who fail to pay the counselling fee will not be considered for online counselling.
- During online counselling, the candidate is permitted to change the order of preference for degree and college only once (as many times as he/she wants but the final submitted options will alone be considered for further processing). An sms and e-mail will be sent to the candidates in this regard (repeat in the next para). No modification is possible in subsequent counselling/ upward movement sessions. If no modification is done, in the choice of college and degree program, the preferences exercised while applying the online application will be considered for seat allotment.
- On the expiry of the online counselling date of the respective phase, the degree and college allotment will be done based on the final choice exercised and submitted by the candidate, merit, and communal reservations. The allotment will be informed to the candidates through sms and e-mail. The detailed instructions on admission fee payment, downloading of the allotment letter, and documents required for verification and submission will be informed through registered email.
- The candidates who registered (counselling fee paid) for online counselling and did not get any seat allotment in the first round of counselling, will be considered for allotting a seat during the subsequent upward movement process if a vacancy arises.
- After the online counselling, candidates will be called for certificate verification and submission before the stipulated time as specified by the chairman (admissions) to confirm their seats allotted to them.
- Before appearing for certificate verification at TNAU, Coimbatore, the candidates are required to pay an amount of Rs. 20,000/- towards the admission fee by online mode. Only on successful payment of admission fee, the allotment letter can be downloaded. This amount will be adjusted in their first-semester fee. Paying the admission fee does not guarantee the confirmation of a seat. Confirmation will be done only after the verification of certificates/documents and their submission before the stipulated time. A provisional admission card will be issued after successful verification.
- The admission fee (Rs.20,000/-) is refundable if the candidate has not registered the first semester of the degree program. And is non-refundable if a candidate withdraws his/her already secured admission under the government quota and is willing to get an admission under the management quota in an affiliated college.

- If any information (marks and qualification, community, date of birth, nativity, etc.,) is found incorrect, the candidature will summarily be rejected. If the candidate is willing to secure an admission further, he/she will be called for a re-counselling based on his/her revised credentials. Delay or absence for submission of certificates/documents and payment of fees will result in cancellation of the secured seat.
- Separate in-person counselling will be conducted at TNAU Coimbatore for special reservations (differently abled, NRI, and industrial sponsorship quotas) and general counselling based on necessity
- Candidates of Tamil Nadu nativity, who have applied for any one of the special reservations, are also eligible for general counselling.

Upward Movement System

- When a vacancy arises, based on the choice exercised and willingness expressed for upward movement, at the time of document verification, candidates will be moved to their best preferred upward choice of degree and college based on merit and communal reservation.
- An upward movement system will be followed for all counselling based on vacancy.
- Once opted for upward movement either it cannot be stopped in between or withdrawn.

Offline counselling

- Offline counselling will be conducted for special reservations (differently abled), NRI, and Industrial Sponsorship Quota.
- Offline counselling for differently abled will be conducted ahead of general counselling. Counselling for NRI and Industrial sponsorship Quota will be conducted after one or two phases of general counselling.
- Candidates attending special reservation counselling have to bring the necessary original document/certificate pertaining to their special reservation. If valid/original documents are not produced by the candidates during the counselling, they will not be allowed to attend the counselling process.

Offline Counselling Process

Candidates can choose the degree and college, based on their rank during offline counselling. Attendance of candidates will be marked both at the entry and exit. Candidates have to opt for a degree and college available at the time of counselling. DEGREE AND COLLEGE CHOICE ONCE MADE IS FINAL AND CANNOT BE CHANGED. Upward movement options will be obtained from the candidate. Candidates who have attended counselling and did not select any choice will not be considered for future counselling phases in the academic year. CALLING FOR COUNSELLING DOES NOT GUARANTEE A SEAT. TA and DA will not be given for attending counselling.

Option	Implication	Remarks
Selection	A candidate selects a seat in any of the degree in a constituent college of their choice	He can either opt for upward movement or not
Not opted	A candidate is not interested in any of the available seat at the time of counselling	Not considered for further counselling
Not got chance	A candidate has no seats to select in any of the degree/college at the time of counselling.	The candidate will be called for subsequent counselling, if vacancy arises.

Note: THERE IS NO WAIT LIST OPTION IN THE COUNSELLING PROCESS

Candidates who fail to attend the counselling at the specified date and time will forfeit their right to admission. However, due to unforeseen and unavoidable reasons, if a candidate is unable to attend the counselling on the specified date and time, the candidate can authorize their parent/guardian on their behalf and the parent's /guardian's decision will be binding and final. Such authorization letter should bear photographs of the candidate and authorized person (candidate's parent/guardian) and be signed by both the candidate and authorized person. The authorized person attending the counselling on behalf of the candidate should carry the counselling letter and photocopy of the ID proof. On-demand, the authorized person has to produce the id proof in original for verification. The format for the authorization letter is provided in ANNEXURE-XI.

7.2 RANKING PROCEDURE

Mark in each of the four main subjects would be converted to 50 as follows,

$$\frac{\text{Marks obtained}}{\text{Maximum Mark}} \times 50$$

and the aggregate of the four subjects would be taken for ranking for maximum of 200 marks.

7.3 NORMALISATION OF MARKS AND INTER-SE MERIT

In the case of qualifying examination other than Tamil Nadu Higher Secondary (HSC) Examination, normalization procedure as ordered in the Tamil Nadu Admission in Professional Educational Institutions Act, 2006 (Tamil Nadu Act 3 of 2007), G.O. M.S. 190 Agriculture (AP.6) Department dt. 16.05.2007 and G.O.M.S.191 Agriculture (AP.6) Department dt. 16.5.2007 shall be adopted for computing minimum eligibility and ranking.

Illustration: If the highest mark secured by the student of State Board of Tamil Nadu in Physics is 100 and the highest marks secured by a student of any other Board in the same subject is 90 both the highest marks will be considered to be equal to 100. If a student of the other Board secures 60 marks in Physics when the first mark in Physics in the same Board is 90, 60 marks will be considered to be equal to 66.66 marks as arrived below.

$$\frac{100 \times 60}{90} = 66.66\%$$

- i. After normalisation of marks in the relevant subjects in the qualifying examination conducted by different Boards, the qualified students shall be merged into a common merit list.
- ii. In the case of candidates who have qualified from **National Boards** such as CBSE, ICSE etc. the highest mark obtained in the relevant subject by the candidates at the National Level alone will be taken into consideration for normalization.
- iii. The Other Boards will be requested to furnish the maximum marks scored in the relevant subjects. In case, such marks are not available before the preparation of rank, the maximum marks scored in that Board will be considered as 100%.
- iv. For minimum eligibility, normalized marks will be considered.
- v. A merit list will be prepared based on the total marks of 200. In cases where more than one student has got the same aggregate marks in the general rank list, the inter se merit among such students shall be determined in the order of priority as specified below (G.O. (Ms.) No.191 (AP.6) Department dated 16.05.2007):
 1. Marks out of 50 in Mathematics. If a student has not studied Mathematics, marks out of 50 in Biology or (Botany + Zoology)
 2. Marks out of 50 in Physics
 3. Marks out of 50 in Chemistry
 4. Date of Birth – Eldest first
 5. Random Number (higher value will be given preference).

The overall rank and community wise rank lists will be published on the website of Tamil Nadu Agricultural University <https://tnau.ucanapply.com>
No separate announcement will be made in the Newspapers.

7.4 ADMISSION TO SPECIAL RESERVATION CATEGORIES

Candidates who are applying for the special reservation categories of seats should satisfy the rules stipulated for admission. Allocation of these Special Reservation seats will be followed as per horizontal reservation.

If vacancy arises it will be reverted to the general online counselling in the respective communities.

VI. CODE OF CONDUCT
